

DEPARTMENT OF CHEMICAL SCIENCES

Guest Lecture by Dr. Samat Ram on Chromatography

Dt. 28/01/2019

A guest lecture based on Chromatography was organized on 28th January, 2019 by Dr. Samat Ram in class room No. 302 for the T.Y. Chemistry students of NVPAS under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. Dr. Samat Ram has addressed the students regarding applications and importance of chromatography and hyphenated techniques for the compound separation/identification. All the students of T.Y. B.Sc. Chemistry along with the staff members were participated in his talk.

Dr. Shveta Joshi

Head, Department of Chemical Sciences, NVPAS
