Recent activities of Carbon Footprint Club

Pledge-taking

The Pledge-taking activity was held on June 24, 2016. More than a hundred students of NVPAS took pledge to reduce their carbon footprint by trading their lives to austerity. The significance of this pledge was to kickstart the academic year by abating the carbon emissions of the individuals. This activity was planned to inculcate the idea of living an environmental friendly life. Furthermore, some faculty members also showed their admiration and encouragement for this activity.

Tree Plantation

The Tree plantation activity was organized on July 17, 2016 by Carbon footprint club in association with local Lions Club. This activity was conducted in order to fulfill the motive of the pledge taken previously in the month of June. As trees play a major role in the sequestration of carbon it is essential to plant a few trees annually. Moreover, the patron of Carbon footprint club Mr. Sharad Amin briefed the members of the Lions club.

World Population Day Observance

On the occasion of World Population Day the club had organized a seminar, debate competition and a slogan-making competition on July 11, 2016. Dr. Waheda Thomas of SEMCOM was the keynote speaker of the event. Parallely, she gave a comprehensive powerpoint presentation on the pressing issue of overpopulation. Following issues were elucidated by participants:

- One-child Policy
- Sex-selective abortion/Female Foeticide
- Family Planning
