Submitted to

National Assessment & Accreditation Council (NAAC)

Nagarbhavi, Bangaluru - 560072

May, 2018

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

Students are admitted to the different programmes by adopting following methodology.

(A) Admission to B.Sc. Programme

(1) Admission to(F.Y.B.Sc.) First semester B.Sc.:

First two semester of the B.Sc. programme has common subjects for Mathematics and Biology group students. The specialization in any particular subject is offered in 3rd semester. The students from state board, central board or any other recognized board are eligible for the admission. The students who passed in 12th science in 'A' group are admitted to first semester B.Sc.mathematics group, students who passed in 12th science with B group are admitted to first semester B.Sc. biology group, while students passed

12th science with both 'AB' group can be admitted either to first semester B.Sc. mathematics or biology group as per their choice.

(2) Admission to (S.Y.B.Sc.) Third semester B.Sc.

F.Y.B.Sc. admissions are on the first come first served basis and the principle subject is offered at the S.Y.B.Sc., Semester – 3 onwards. A separate counselling of students is carried out and the subjects are offered on the basis of their merit in the University Exam in First and Second Semester. A separate merit list for mathematics and biology group students are prepared. The merit number of the student is communicated to the parents also mentioning the date and time of counseling. In the admission counseling students are asked to select their subject of their choice on the basis of their merit number. Students with the Mathematics group are offered Computer Science, Computer Applications & Information Technology (CA&IT), Instrumentation, Chemistry, Industrial Chemistry and Mathematics, while students with biology group are offered Biotechnology, Microbiology, Genetics, Bioinformatics Environmental science, Chemistry and Industrial chemistry.

(B) Admission to B.C.A. Programme

Admission to first semester B.C.A. is also given on first cum first serve basis to those students who passed 12th Science, Commerce or Arts either from State board or any other recognized board with English as one of the compulsory subject.

(C) Admission to M.Sc. CA&IT (Integrated Dual Degree Course):

College offers five year integrated dual degree course of M.Sc. Computer Applications and Information Technology (MSc CA&IT). Admission to this course is also on first come first serve basis to those students who passed 12th science/commerce.

(D) Admission to career oriented 'add-on' course

College offers UGC funded Career Oriented Course in 'Process Development in Industrial Biotechnology' which is started from June 2010. This course is available only to the B.Sc. students of the college. There are total 60 seats in this course in which 30 seats are allotted to certificate course (1 year duration) and 30 seats are allotted to diploma course (2 years duration). Admission to this course is also on the basis of first come first serve basis. However students in 5th and 6th semester are eligible only for the certificate course and not the diploma course.

(E) Admission to Certificate Courses

Various departments of the college are running different certificate courses to enhance the knowledge and skill base of the students. Most of these courses are of 30 hours duration. The classes are conducted outside the college hours. Such courses help students to get equipped with the latest practical/industrial/life skills. Admission to these courses is on first come first served basis and the students of the college are given first priority. However, if the seats are vacant, the students from other college are also given admission.
