CHARUTAR VIDYA MANDAL'S

NATUBHAI. V. PATEL COLLEGE OF PURE AND APPLIED SCIENCES

From The Chief Editor's Desk

By: **Dr. Basudeb Bakshi**

I am pleased to announce the release of 11th issue of our college e-magazine: Spectrum: The Measure of Progress which definitely helps to show-case the activities that are happening in the campus. College magazine clearly epitomize the performance of college, It also helps in developing togetherness which is the dire need in the world of competition. This kind of documentation culture help in exposing the curricular and extracurricular achievements of the college. With entering in new era of CVM university NVPAS will continue this culture with new promises, new commitments, new hopes and a very firm step towards new direction and would definitely exemplify as a quoted attainment.

Dear students I wish you all a good Luck for the coming Semester examination.

CVM UNIVERSITY

A New Venture of Charutar Vidya Mandal

Government of Gujarat has permitted Charutar Vidyamandal Vallabh Vidyanagar to establish the private university named **CHARUTAR VIDYAMANDAL UNIVERSITY**.

Charutar Vidyamandal is celebrating its 75th year of establishment where CVM University has emerged as a milestone in the field of developing higher education in the state of Gujarat.

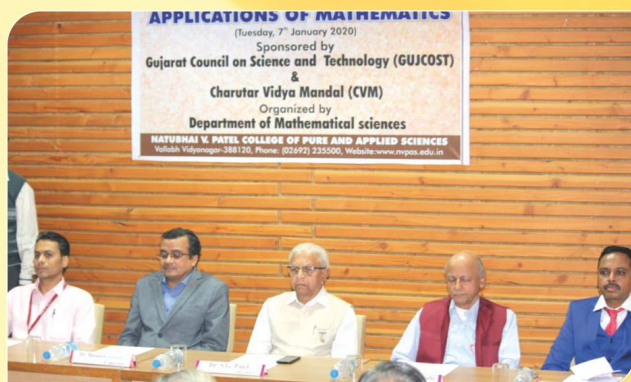

Under the valuable guidance and motivation provided by Shri Sardar Patel sahib to establish quality educational institutes in the rural area, late Shri Bhikha Bhai and Bhaikaka sowed seeds and nurtured the educational township Vallabh Vidyanagar. Subsequently under the value driven leadership of Late Shri H.M. Patel and Shri C. L. Patel different kind of institutions providing need of the time educations were established. To carry such legacy forward the newly established university has been named as "CVM UNIVERSITY".

CVM University will be affiliating 19 different self-finance institution managed by Charutar Vidyamandal at Vallabh Vidyanagar and new Vallabh Vidyanagar. In addition to these institutes Ayurvedic college will also be the part of this university. Primarily CVM University will be catering education in nine different disciplines.

CVM University right from its inception will be encompassing approximately 10000 students, highly qualified 560 faculties and non teaching staff which will become the initial strength of the university.

NVPAS is going to be a part of it and will start six PG diploma courses in various branches from June 2020. An integrated BSc -MSc course in Molecular Biology will also be a new addition to our institution. Moreover in all BSc courses run by the college both general and honors degree will be offered as per the choice of the students. These novel changes will definitely help students in acquiring skills and getting a good job. It would also help the students aspiring PG course in reputed Universities at abroad through fulfilling their requirement of 10+2+4 with extra credits.

CVM University would definitely be a reputed higher educational institution by providing excellence in edification on the basis of contemporary and future needs.
